

Stanley Cavell and Literary Studies: Consequences of Skepticism

Filesize: 5.64 MB

Reviews

Very beneficial to all category of folks. We have study and that i am sure that i will planning to go through yet again again in the future. Its been printed in an extremely straightforward way in fact it is just soon after i finished reading this pdf where actually changed me, alter the way i really believe.

Continuum Publishing Corporation. Paperback. Book Condition: new. BRAND NEW, Stanley Cavell and Literary Studies: Consequences of Skepticism, Bernard Rhie, Richard Eldridge, This title offers a groundbreaking and timely collection that draws out the full implications of Stanley Cavell's writings and ideas for literary studies. "Stanley Cavell and Literary Studies" is a groundbreaking work that makes clear the relevance of Cavell's ideas for literary criticism. Arguably no other living philosopher has done as much as Cavell to show the common cause shared by literature and philosophy. It would seem, therefore, that literary critics in particular would have much to gain by seriously engaging with Cavell's work. Yet widespread admiration for Cavell by literary critics has only infrequently resulted in real intellectual influence. Though held in great esteem and widely taught in both philosophy and literature, the extent to which Cavell has been overlooked by literary theorists, in comparison to the palpable influence upon literary studies of Cavell's philosophical contemporaries (Derrida, Foucault, and Deleuze, to name only the most obvious) is striking indeed. "Stanley Cavell and Literary Studies" is not only timely but, indeed, long past due. As the discipline of literary studies struggles to move beyond the suspicious skepticisms and anti-humanisms that have dominated the field for the past many decades, Cavell's writings and ideas will only become more pertinent.
