She's going to find them both. The Red Dragon Project is the ultimate weapon -- five women who can transform themselves into mighty dragons. Not only can they soar over armies and use their fiery breath to devastate opposing forces, they can sneak behind enemy lines before metamorphosing and catch enemies unaware. But on its first test mission, the Red Dragon Project is sabotaged. Three Dragons are killed, one is severely injured, and, worst, one goes missing. Only Wolf Dasher of Her Majestys Shadow Service knows who is really behind the attack: The Sons of Frey, a sinister terrorist organization dedicated to overthrowing Alfars government in the name of religious purity. Hell have to go alone, and, if anything goes wrong, no one will come to help. May isnt about to abandon her love, though. When Wolf disappears and is presumed dead, she resolves to go after him, leaving her post and recruiting imprisoned radicals to help her....
