

Make Your Smart Baby Super Smart: Wisdom of Smart Parents (Paperback)

By MR Stephen Lau

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.After months of pregnancy, your baby has finally arrived. This has also opened a new challenging chapter in your life: how to help your baby grow and develop physically, emotionally, and intellectually to his best potentials. You may easily become bombarded by the overwhelming information on the Internet with respect to raising a smart baby. Simplicity holds the key. Be simple in your approach to your everyday activities and interactions with your baby. Make the best and the most out of the first three years of your baby's life to enhance and optimize his brain growth with simple spatial intelligence, logical intelligence, emotional intelligence, kinesthetic intelligence, and language intelligence, including baby sign language. This book is based on the author's own experience of raising his daughter some three decades ago. The author has written this book as a blueprint for his daughter's newborn. He began teaching his daughter language skills and spatial development no sooner than she was born. As a result, she became a proficient reader before she was three years old. Yes, you...
