Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Widely acknowledged as a master of modern Indian art, for nearly six decades his work, vision and life have attracted critical attention from various points of view. Raza returned to India, his home country, after spending 60 years in France and now lives in Delhi and continues to paint. Raza has created nearly 50 new paintings in past six months. Raza s art has been analysed, explored and evaluated in many books and continues to evoke new responses, also because he is still painting significantly and passionately. Collectors of his paintings exist worldwide. This fresh collection of essays offers new insights into the artistic career and life of a truly dynamic visionary of our times. The DVD accompanying this volume is an invaluable recording of Raza creating his collection Aarambh. Thus, this fresh perspective on his art is enriched by the knowledge of how that art came to be.
