Brand New Book ***** Print on Demand *****.Excerpt from The Quaker Boy on the Farm and at School Within it wandered immense numbers of deer and not a few elk. The only animals of prey were the small wolf and the black bear, neither dangerous under ordinary conditions. The marshes abounded in waterfowl, and at certain seasons wild pigeons and other migratory birds could be captured in abundance by throwing stones into the flocks. There were turkeys, pheasants, and partridges. Shad and other sea-fish were plentiful in the river, and the little streams were amply stocked with trout. Nor were the settlers unworthy of their possessions. A few men of rank and education began a life of trade in the towns, burying their coats of arms as unworthy a Christian democracy. But the greater part were British yeomen, some landowners in their native country, the most of them renters who had loaded all their furniture, plate, clothing, and in some cases framed houses, into the little sailing vessels, and set out on the two or three months voyage to the free land which the...
