Do you find that your pc runs about as fast as a slug? Lets face it, your pc isn t getting any younger and game and software requirements are increasing rapidly. This guide can have your pc running much faster than it did before guaranteed! About This Guide: This guide is composed specifically to increase the overall speed and performance of your pc. We have broken down the contents of this guide into several easy aspects. We guide you through step by step how to increase the performance of your pc using manual windows speed tweaks, software based speed tweaks, and hardware based speed tweaks. These tweaks are not only used to increase the speed of your pc, but also the speed of your internet connection. All of the information has been tested by us and proven to increase the performance of your pc. We also guide you to informational sources and provide you with the tools to develop a clear understanding of pc components, pc upgrading, and pc optimization. This guide is very easy to follow and very effective for optimizing the speed of your pc. Our Guarantee: We didn t just write this guide. We tested it and proved that this guide truly increases your pc s performance. We took a computer with a PIII 1 GHz processor, a 32mb video card, a 20gb hard drive, a 56k modem connection, 256mb of RAM, and installed Star Wars Knights of the Old Republic onto it. Without System Tweaks, upgrades, or following any of the instructions in our guide the computer could barely run it. After following all of...
