

Facts and Figures about Mexico and Her Great Railroad: The Mexican Central (Classic Reprint) (Paperback)

Filesize: 2.21 MB

Reviews

*This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).
(Desmond Becker)*

FACTS AND FIGURES ABOUT MEXICO AND HER GREAT RAILROAD: THE MEXICAN CENTRAL (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Facts and Figures About Mexico and Her Great Railroad: The Mexican Central There are only five cities of over 35, 000 inhabitants in the Republic of Mexico that are not reached by the Mexican Central Line. Extract of a Letter from A.H. Edgren, Professor of Languages, University of Nebraska. A visit to Mexico is, indeed, full of uncommon interest, historical, ethnical, archaeological and linguistic, to say nothing of the joys of a magnificent scenery and a lovely climate. The charm of breathing not only the air of a foreign country but also of a past age, is more fully realized in Mexico than even in Spain or Italy, and the sight of a native American race working its way to intelligent independence and a modern civilization on the ruins of their old culture is to me full of deepest interest. Unfortunately for the traveler, though not for Mexico, the mediaeval spirit still lingering over the country will have disappeared in a few more years. I noticed a very decided difference, in this regard, between Mexico of eight years ago, when I first visited the country, and Mexico last year. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
