Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from History and Functions of Central Labor Unions, Vol. 8 This investigation of Central Labor Unions was suggested by Dr. Thomas N. Carver, of Oberlin College, and was begun under his direction. It was finished at Columbia University, where original sources of information are more accessible. The sources of the material are of necessity almost wholly original, and consist of: 1st. An almost complete set of constitutions and by-laws of Central Labor Unions in the United States, as well as several of those in England. 2d. Reports of proceedings of the American Federation of Labor, and pamphlets published by that organization. 3d. Reports of the Trades Union Congress of England. 4th. Answers to circulars addressed to Secretaries of all Central Labor Unions in the United States. 5th. Personal observation in the Central Labor Unions of Cleveland, Ohio, and New York City. 6th. Personal interviews and correspondence with prominent labor leaders and officials of Central Labor Unions in Cleveland, New York, Brooklyn, Chicago, Toledo, Boston, and several other large cities. 7th. Newspaper clippings and files of newspapers. The books which refer to the subject of Central Labor Unions are very few in number, and the references are merely incidental. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of...
