Berrett-Koehler. Paperback. Book Condition: new. BRAND NEW, The Highest Goal: The Secret That Sustains You in Every Moment, Michael Ray, For over 25 years, Michael Ray taught the celebrated Personal Creativity in Business course, mainly at Stanford University but also in non-academic settings. Over the years, Ray began to realize that the course was having a more profound impact on graduates than he'd ever intended. It went way beyond helping them in their careers. People who'd been through the course seemed to blossom-to have access to some secret source of energy and inspiration. They found new ways to contribute to their organizations. They thrived on diversity, fought gracefully, treated others with compassion, acceptance, appreciation, and respect. As one graduate put it, "This is transformation that works and lasts." It has nothing to do with worldly success or achievement, but Ray found that all of the successful people who had been through his course had a sustained connection to it. In fact, it was what they ultimately attributed their success to. In The Highest Goal, Michael Ray shares what he learned through decades of teaching his creativity course to help you discover, and live by, your highest goal. Throughout the book, Ray offers exercises, stories, and reflections that will help you get in touch with...
