The Moon Pulled Up an Acre of Bass: A Flyrodders Odyssey at Montauk Point

By Peter Kaminsky

Hyperion Books. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. Kaminsky makes flyfishing sound like a form of sanctifying grace, and his writing style is as lyrical and lovely as his sport. --Pat Conroy

The Moon Pulled Up an Acre of Bass is the story of a mans love affair with Montauk in the fall, after the crowds and celebrities have left eastern Long Island. Now in paperback, this is the story of an ocean teeming with life, and the people drawn to it: obsessed anglers, jealous guides, dedicated scientists, and the local people who have lived off the bounty of these waters for generations. But above all it is a story of a mans basic love of people and nature, one that will appeal to the many fans of Kaminskys Outdoors column in the New York Times, his frequent work in Food and Wine, and anyone hungering for fine writing. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
