

Understanding the Odyssey: A Student Casebook to Issues, Sources, and Historic Documents

Filesize: 7.48 MB

Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

(Rebecca Bechtelar)

ABC-CLIO. Hardback. Book Condition: new. BRAND NEW, Understanding the Odyssey: A Student Casebook to Issues, Sources, and Historic Documents, Claudia Durst Johnson, Vernon Johnson, For thousands of years, The Odyssey has resonated throughout the Western world. Homer has been an original source of inspiration to writers, painters, sculptors, and filmmakers, as well as a vital source of information about the mythology, history, and culture of ancient Greece. This casebook uniquely blends commentary and primary documents, situating the epic within historical contexts that are important for students to understand. The literary analysis chapter is ideal for readers coming to The Odyssey for the first time, introducing the work with a chronology of events and identification of major characters and themes. Topical chapters carefully consider matters of mythology, geography, archeology, and class issues pertinent to The Odyssey. Excerpts from classical and scholarly sources, including Herodotus, Plato, Thucydides, and Bulfinch, help students understand the historical framework, and materials from government documents and newspaper accounts help students make connections between The Odyssey's thematic ideas and current events, such as the September 11th attacks and the ongoing conflict in Ireland.
