

Elements of Vector Algebra (Paperback)

By L Silberstein

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The author is a well-known writer upon vectors and their applications, and in this book he renders great assistance to students by presenting a treatment of the elements of vector algebra, forming an easy introduction to this subject. The book is framed primarily for the needs of those engaged in geometrical optics, but the applications of vector algebra are ever extending, and we believe that a study of this work would help those who are embarking on a study of vectors in relation to the more advanced problems of alternating current engineering. - Electricity: A Practical Trade Journal, Volume 35 [1921].
