Post Graduate Course of Victimology, Victim Assistance and Criminal Justice, May 2006, Inter University Centre Dubrovnik, Croatia, 42 entries in the bibliography, language: English, abstract: I. Introduction Regarding the fear of victimization, researchers soon found a disproportional high fear among women and elderly people. In this paper I do not only want to describe the different attempts of explanations dealing with these findings. I also want to test if and to what extent the single explanations fit to the fear of victimization among young German law students. II. Description of the Paradox First of all, the Fear of Victimization - Paradox is in the literature more commonly known as the Fear of Crime - Paradox. But this is inexact: Speaking about the fear of crime, you have to distinguish between a person's perception of his own chances of victimization and the individual estimation of the seriousness of criminal...
