Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.A group- also known as a murder- of unknown crows was dive-bombing a small crow, though the crow was not like the others. His color was different. He had white feathers, and as a result, the other birds believed him unlikable. Outlaw, with one gold eye, understood about being different. Being different is a good thing, but not everyone gets it. CROW and JAY is a parable about bullies who are mean to those who seem different. Outlaw and Flapjack s lesson urges us to think about our own actions. CROW and JAY is a 4th - 6th grade reading level and well suited for the classroom, with a short study lesson at the end.
