Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Strange visions plague Abigail Stone when she joins her best friend on the Hopi reservation so that he can reconnect with his Native American roots. Though she considers the content of her visions trivial, she finds their triggers downright alarming: mysterious voices call her spirit into action, over which she has no control. To complicate matters, Abigail returns to Adehya to discover that Nikolas has renounced his duties as her tutor and protector in favor of his obligations to the Council. He leaves Abigail in the care of the philandering Duke Sebastian, who, to Abigails dismay, shows more interest in bedding her than ensuring her safety and training her to be an expert witch. As Abigails personal life spirals out of control--to the extent she faces shocking accusations of infidelity and threats of exile to Block Island--rumors abound that Nikolas has been secretly courting a stunning Egyptian princess. Harrowing as Abigails trials may be, shes not at all prepared for how they add up and where they will lead her.
