Brede et de Montesquieu generally referred to as simply

Montesquieu, was a French lawyer, man of letters, and political philosopher who lived during the Age of Enlightenment. He is

famous for his articulation of the theory of separation of powers, which is implemented in many constitutions throughout the world. He did more than any other author to secure the

place of the word despotism in the political lexicon. Montesquieu is credited as being among the progenitors, which include

Herodotus and Tacitus, of anthropology, as being among the first to extend comparative methods of classification to the

political forms in human societies. Indeed, the French political anthropologist Georges Balandier considered Montesquieu to be

the initiator of a scientific enterprise that for a time performed the role of cultural and social anthropology. According to social

anthropologist D. F. Pocock, Montesquieu's The Spirit of the Laws was the first consistent attempt to survey the varieties of

human society, to classify and compare them and, within society, to study the inter-functioning of institutions.

Montesquieu s...
