Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.Towards a Standards-Based Curriculum offers England's primary schools a guide to implementing the National Curriculum for 2014, focusing on the revised programme of study for Mathematics, English and Science at Key Stage 1 and 2. School leadership, management and classroom teachers will learn how a standards-based curriculum functions and the implications for assessment. Two chapters, Assessing Without Levels and Assessment Plans, contain the tools for establishing school-based assessment to monitor the impact of teaching on learning and achievement. This book guides the reader through making sense of curriculum standards and developing appropriate pedagogical responses. Complete medium-term planning for Mathematics covering Year 1 to Year 6 is featured in the book. A systematic and cumulative programme to support teaching basic number facts and concepts in Year 1 forms part of the curriculum and assessment materials. Standards-based unit plans for English and Science (with alignment to the QCA Scheme of Work) offer starting points for a school and teachers engaged in meeting new statutory requirements. This book provides the essentials for classroom teachers, subject leaders and those interested in translating the National Curriculum for 2014 into practice. Towards a Standards-Based Curriculum provides all of the essentials for successfully engaging the standards-based reform of the primary curriculum.
