WITH THE SUN IN MY EYES: THE TRUE STORY OF MARIA RAINDANCER, SHAMANIC WORKER AND PSYCHIC READER (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the inspiring true story of a remarkable healer, providing an in-depth look into how she works with energy, exactly what she sees, and how she interprets her visions. In an intimate and conversational style, Ms. Heart weaves together many exciting stories she gathered from comprehensive interviews with Maria, her family, friends, and clients. The reader is left with a breathtaking awareness of the depth of Maria s ongoing relationship to spirit. Be prepared for an engaging read, as Maria battles demons and century-long familial curses; exorcises tenacious and often evil energies; removes dead entities which are still haunting the living; and acts as a go-between enabling dead people to talk with their still living families. She follows the constant instructions of spirit to the letter and never works without her intrepid power animals, Leopard and Raven. Born with exceptional gifts, Maria trained from the age of fourteen with a Cheyenne teacher. She now does energy clearings, soul retrievals, psychic readings, extractions, and house blessings on a daily basis. The steps involved in her work are described in detail, from Maria s point of view as well as the client s. This is a holistic perspective on the life of a healer who works outside the physical arena, achieving remarkable results in realms unknown to most of us.
