

Outlines of Physiology: With an Appendix on Phrenology (Classic Reprint) (Paperback)

Filesize: 5.47 MB

Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

OUTLINES OF PHYSIOLOGY: WITH AN APPENDIX ON PHRENOLOGY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Outlines of Physiology: With an Appendix on Phrenology So great and so numerous are the improvements which Physiology, in all its departments, has received since the period of the publication of the former edition of the Encyclopaedia Britannica, that it was deemed necessary by the Editor to give, in the present edition, an entirely new Treatise on that subject. When I engaged, at his request, to write this Treatise, I was far from sufficiently estimating either the magnitude of the undertaking, or the space to which, in endeavouring to comprehend all its branches, the subject would extend. The limited time which was assigned me for its completion, and my distance from the place of publication, will, I trust, be admitted in extenuation of whatever errors may be discovered to be still uncorrected. In revising the article Cranioscopy, which had been published in the Supplement to the last edition of the Encyclopaedia, and which the Editor purposed introducing in the present edition under the title of Phrenology, making such additions to it as I might think were requisite, I have availed myself of this permission to reply to some of the criticisms which had been made upon it by Mr. G. Combe and Dr. A. Combe: it was, accordingly, thought desirable to reprint the former essay, with no other alterations than a few verbal corrections, and the introduction of a few sentences descriptive of some modifications and additions to the system of Gall and Spurzheim contained in Mr. Combe s System of Phrenology. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of...
