Xulon Press, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you going through an unbelievable crisis in your life and don t know what to do? Well there is an answer for you. You can make it through this horrible time. In life we all must go through storms that either make us stronger or break us. Don t let the storm overtake you. You can make it through the storm if you don t give up.This book was written for you so you can go through your crisis, problem, disaster - storm - VICTORIOUSLY!As an Earth Science Teacher for several years, I have taught sixth graders about the different storms on our Earth such as tornadoes, hurricanes, and thunderstorms. God gave me a revelation that just as a physical storm on Earth goes through several stages, a spiritual storm will take you through these same stages. In this book, I compare the stages of a spiritual storm to that of a physical storm. Most importantly in reading this book, you will learn how to weather the storm and know what to do at each stage so you can become a stronger, more spiritual person.In this book I include steps to take when going through a crisis. There are several similarities between a spiritual and physical storm. We eventually recover from a hurricane, tornado, or flood and we can also recover from a spiritual storm or crisis. It may take time but if we are diligent and don t give up we can come out of the storm victoriously.
